1. During shipment from [] to Bethesda, Maryland, the household goods of [] suffered damages attributed to faulty packing [] Security conditions preclude [] in [] from presenting a claim [] The Headquarters Board of Survey, including a representative of the DD/P, unanimously recommends approval of the claim in the amount of \$17.50 and \$18.50 respectively. These amounts represent actual repair cost substantiated by receipted bills, less \$10.00 on one item which the Board disallowed because the repair cost was \$10.00 in excess of the original cost.
